Subject - Outright Grant of Rs 25000/- towards the Drainage Scheme of the Chikballapur Town

Sir,

I have the honour to enclose herewith a copy of the Municipal Council meeting held on 31-3-48 praying for the sanction of the above Outright Grant for affording Drainage Scheme, as too much of stagnation is found in most of the localities for want of proper drains The fact was brought to the kind notice of the Minister for L.S.G. who was pleased to promise a decent sum The financial position of the Municipality is not sound enough to contribute its quota, at present

In view of these circumstances, I request that the grant prayed for, by the Council be kindly sanctioned early to take up the work The file of records and the Government Order accompanies

Sir,

I have the honour to state that the Municipal Council at their meeting held on 31-3-48 have resolved to request the Government to kindly give an 'outright GRANT' of Rs 25000/- for the sake of DRAINS In this connection I may state that the water stagnates everywhere thus making it a breeding place for mosquitoes and stagnation naturall creates such a nauseating smell that it is most injurious to health In the absence of proper drains the town is subjected to many Epidemic diseases as the filth and substances of foul nature instead of being driven out of town stagnates, I may further state that the Minister for Local Self Government has been pleased to promise us a grant under Town Improvement Grants as per G.O.No L 1366-74-ML 37-27-4 dated 8-9-2 8-9-27 on our representation to his goodself that the Municipality has to devote its attention to most of the works such as Water Supply, Combined Dispensary, Cement Concrete road to Mandy Bazaar, Industrial Colony, Vegetable Market and Bus Stand

Hence I request you kindly to recommend the resolution of the Municipal Council for an outright grant of Rs 25000/- for the drainages as per above G O. As soon as the sanction is accorded the amount will be placed at the disposal of the Sanitary Engineering Dept to carry out the work

A copy of the resolution together with copy of the above G O. for allotting funds out of Town Improvements Grants without any contributions from the Municipality are herewith enclosed for kind perusal and to recommend to Government

Memo

Remind whether any estimate for the work has been prepared by the Sanitary department and whether the municipal

council is prepared to deposit an equal amount towards its quota may be reported

Deputy Commissioner Kolar Dt

Resubmitted to the Deputy Commissioner Kolar District, [illegible] with the information that a comprehensive scheme under the Drainage scheme has been prepared for nearly Ninety thousand Rupees long back and for the past four to five years only two stages out of nine stages have been completed at a cost of nearly nine thousand Rupees the 3rd Quota deposit advanced to Sanitary Engineering Department so far being Rs 5,743-15-7 for which an outlay statement has been called for from the Sanitary Engineer for effecting necessary adjustments in the Advance Register In view of the fact that the drainages are wanting in most of the localities and the Municipality is not in a position at present to bear its quota, the Minister for Local Self Govt was requested to sanction an outright grant from the Govt itself without insisting on Municipal contribution as represented overleaf which the Minister has been pleased to promise a grant. It is requested that the 3rd Council resolution may be recommended to Govt for kindly sanctioning an outright grant on receipt of Govt grant most important drainages will be taken up in consultation with the Sanitary Engineering Department and by placing the amount at their disposal. It is therefore prayed that the Resolution may kindly be recommended. Enclosures accompany
